Section 7. Creation of Liens. The University covenants that it will not issue any bonds or other evidences of indebtedness, other than the Notes, secured by a lien or pledge
of the moneys, securities or funds held or set aside by the University under this Resolution and shall not create or cause to be created or suffer to exist any lien or charge on the Project, or such moneys, securities or funds; provided, however, that nothing contained in this Resolution shall prevent the University from (i) issuing evidences of indebtedness payable out of, or secured by a pledge of, revenues derived from the Project on and after such date as the pledge of the Project provided in this Resolution shall be discharged and satisfied or (ii) other evidences of indebtedness secured by the general obligation and full faith and credit of the University.
