15. What are the strengths of the current UVI website?

Workflow and eForms but we need more eForms. The pictures are representative of the university and paints the university in a positive light. Beautiful presentation. Has a great deal of information. Has become much more organized recently. Pictures Nice layout Nice images, as a faculty I know the links I go to but the other info I do not I do not know where to go. It exists easy to post information extensive HTML or coding knowledge needed. Few colors and format are uniform. Ease of finding information Easy to use Better than nothing It is easy to access. I like the variety of photos. I like the "we are..."

16. How can we improve the UVI website?

We need success stories from alumni, faculty, and programs. We also need more multimedia including a virtual tour and YouTube video. You have to know exactly where things are in order to find it. There are too many steps needed to find information. Not sure The Directory should include each employee's office building name and room number. Remove employees who left UVI from the Directory. Make it more user friendly. Organize the information so that it is easily found on the website (better search uvi search engine) and a more detailed content directory on the website as faculty, add info on...
