Fiscal Year 2012 Operating Budget Revision No. 1
(Presentation/Discussion/Approval)

The University is proposing a revision to the Fiscal Year 2012 Operating Budget in light of the projected decline in tuition and fees revenues and an increase in FY2012 appropriations from the Government of the Virgin Islands. The University is proposing total operating revenues of \$48,013,019 and expenditures and transfers of \$47,866,656 creating a projected net operating position of \$146,363.

Action required.

PLANNING COMMITTEE.....Sinclair L. Wilkinson

Key Performance Indicators Mid-Year Report

The Provost reported on the key performance indicators for spring 2012 that focused on enrollment, financial, research and development indicators. The overall enrollment headcount showed a slight decline; however, there was an increase in the male population. The financial indicators showed that gifts and net investment income increased significantly for 2010 as compared to the same period in 2009, but VI Government support and UVI revenues from operations for FY 2011 decreased. UVI ranked second among its peers in the amount of money received in federal grants. There was an overall decrease in total contributions to the University when compared to the same period last year.

No action required.
