SPECIALIZING IN FUTURES

HISTORICALLY AMERICAN.
UNIQUELY CARIBBEAN.
GLOBALLY INTERACTIVE.

“UVI will always have a special place in my heart due to its closeness to home and affordably low tuition rate. From this aspect, it makes pursuing my graduate degree in social work even more attractive besides the fact that I’m already integrated within the Bucs community”
(Jermika Roumou, Spring 2023, UVI).

The Bachelor of Social Work Program at UVI is currently recruiting prospective students for Spring and Fall semesters.

"I would describe the UVI Social Work program as an all-encompassing, intellectually stimulating, and meticulously structured curriculum. My personal journey is a testament to resilience in the face of both triumph and adversity. I embarked on this program in 2018 and proudly graduated in 2022, completing my studies in an accelerated 3.5 years instead of the traditional four. Today, I am working as a social worker at DHS, and I encourage you to explore this program if you aspire to pursue a career in this fulfilling field. Take the initiative to inquire about the UVI Social Work program, and you too can embark on a rewarding path of service and compassion!"

Dian Jackson- *magna cum laude*)
