USVI Pesticide Applicator Recertification Workshop

The University of the Virgin Islands Cooperative Extension Service's Pesticide Safety Education Program announces the re-scheduling of the Pesticide Applicator Recertification Workshop on St. Croix for **Tuesday, September 29**, from 8:00 a.m. until 1:00 p.m. in the Research and Extension Center, Room 133.

The workshop will be conducted by Dr. Hipólito O'Farrill-Nieves, Extension Entomologist, Agricultural Extension Service, College of Agricultural Sciences, University of Puerto Rico. All pesticide applicators, especially certified applicators, are encouraged to attend this important workshop. The topics will include "Pesticide Use Calculations," "Safe Use Practices for Pesticides," and "Managing Pesticide Resistance."

For additional information and to register, please contact the University of the Virgin Islands Cooperative Extension Service - Stafford Crossman at (340) 692-4071, email scrossm@uvi.edu.

Extension programs and policies are consistent with federal and state laws and regulations on non-discrimination regarding race, color, national origin, religion, gender, gender preference, age, disability and political beliefs.
