Total Credits in the BSN Program: 125

*BSN students exempt from COM 120

NOTE: + This document **does not include ALL prerequisites and co requisites**. Refer to the UVI Catalog on line for all Pre requisites and Co Requisites.

Eligibility for admission to the BSN Program (

- Students must have (1) a **3.0 cumulative grade point average (for full time enrollment in the BSN program)**; and, (2) Achieved a minimum grade of at least **“C” in Science Courses**.
- **TEAS** (all applicants except BSN completion). Minimum of “Basic” proficiency is required. **Effective with the intake of 2021, a 60% score will be required on the science portion of the TEAS.**
- **Two (2) Letters of Recommendation** (Professors or Supervisors from place of employment)
- **Writing Sample:** Write a one-page essay on the following topic: “Nursing: My Career of Choice.” Write this essay in a minimum of three paragraphs with at least one citation. Font: Time New Roman; Font Size 12; Line spacing 1.5; Citation and References: APA format.

Progression Requirements

- To progress in the nursing sequence students must achieve a minimum grade of “C” in all nursing and science courses of the major and maintain a minimum of 2.0 overall average.
- The Pass Mark to successfully pass a **Nursing Course is 75%** (courses with the NUR prefix in the course code). Effective 2016.
- Score a **minimum of a Level 2 on the ATI Proctored Examination**
- Students must pass both the theory and clinical components of a nursing course. Failure in any one component will result in a failing grade in the course. For courses with a clinical component that are to be repeated, the student must take both the clinical and theory portion of the course.
- **Failure on Two Nursing Courses** in the Nursing Sequence, (courses with the NUR prefix in the course code), will result in Suspension.
 - **Students will be dismissed on the third course failure.** Effective Fall 2018.

Additional UVI Graduation Requirements:

- Students must meet the Computer Literacy requirement during the freshman year. Transfer students may complete 24 credits before completing this requirement.
 - Semester/Year CLE Requirement Met _____
- Student must pass the English Proficiency Examination (EPE):
 - Semester/Year EPE Requirement Met _____

Policies related to admission and academic rigor are subject to change.
